

Cobalt Energy – Job Specification

Job Title:	H&S/CDM Advisor
Reporting to:	Group Health and Safety Manager
Responsible For:	None
Salary:	Competitive Salary plus benefits
Location of Role:	Home based with frequent travel throughout the UK and potentially abroad.

Job Purpose:

To work as H&S/CDM Advisor and manage a wide variety of challenging and interesting projects covering many different construction sectors throughout the UK, including waste and power plant construction and the Operational Services outages that are carried out across Cobalt's SPV's. To help ensure that Cobalt Energy provides a first-class H&S/CDM advisory service. To contribute to the organisation's vision and strategic objective to provide a fully integrated, high-quality service to our clients.

Role and Responsibilities

- To undertake Principal Designer/Principal Contractor duties, as defined by the Construction (Design and Management) Regulations 2015 (CDM) and as otherwise required of the role, including site visits, preparation of the documentation, and other associated duties.
- To liaise and communicate with clients, designers, contractors, and others and to offer advice and guidance on CDM/health and safety issues.
- To assist the wider H&S team at Cobalt Operational Services sites.
- To assist in the preparation of health and safety/CDM documentation for contractors and others.
- To manage projects to the agreed project budgetary limits and timetables.
- To attend design meetings, site meetings and carry out site inspections.
- To work collaboratively with colleagues and to keep them informed of issues on your projects.

Qualifications/Experience/Skills:

The successful candidate will need to be self-motivated with the ability to work independently and be able to demonstrate the following attributes:

- At least three years' relevant experience in the Health & Safety industry with knowledge of CDM/health and safety issues in construction.
- CDM Project experience.
- Good communication, interpersonal and organisational skills.
- NEBOSH Certificate or equivalent/higher.
- Good knowledge and understanding of appropriate legislation.
- A clean driver's licence.

Application details

Please send a cover email and CV to the Group HR department: hr@cobaltenergy.co.uk

We would politely request no agencies please; we do have existing arrangements with agencies who perform an excellent service, but we maintain several approaches to the recruitment of new staff, and we are not looking for any new agencies at this time.
