Job Purpose:

We are actively recruiting a Shift Plant Operator to join a state-of-the-art Biomass power station in the Leicestershire area. The Shift Plant Operator will report to the Shift Team Leader and be responsible for controlling and monitoring of all operations on plant, completing regular checks on equipment, relaying the information to Shift Team leader

Role and Responsibilities:

- Adhering to all company policies and procedures at all times
- Contractor engagement and supervision on site
- Monitor the plant using SCADA / DCS
- Ensuring fuel stocks are controlled
- Shift cover in the event of sickness or training
- Optimisation of plant performance
- Plant parameters monitoring (SCADA)
- Accurate record keeping
- Environmental reporting of incidents to line management
- Monitoring and implementing company H&S and environmental policy
- Ensure a high standard of housekeeping is maintained at all times
- Any other reasonable duties as and when required by the line manager

Qualifications/Experience/Skills:

- Qualified to ONC level / NVQ (or equivalent) in an appropriate Engineering/ process discipline. Preferably a hands-on operator/ engineer with good experience gained in the Energy from Waste, Biomass, Power Station, Steam boilers, Chemical, Oil & Gas, Petrochemical or Marine industries
- Sound understanding of process flow
- Experience of monitoring via SCADA
- Effective worker, with a 'can do' attitude
- Good numeracy skills, including the ability to interpret basic spreadsheets
- Appropriate IT skills (confident use of Word, Excel etc.)
- Good knowledge of Incineration and Power Generation or similar industry
- Strong interpersonal skills with the ability to build relationships with colleagues, suppliers

Application details:

Please send a cover email and CV to the Group HR department: hr@cobaltenergy.co.uk

We would politely request no agencies please; we do have existing arrangements with agencies who perform an excellent service, but we maintain several approaches to the recruitment of new staff, and we are not looking for any new agencies at this time.
